The Loudoun Association for Children with Hearing Loss Presents

School-Based Speech and Language Services

presented by Rachel Silien, M.S., CCC – SLP,
Speech-Language Pathologist,
Loudoun County Public Schools

January 13, 2006 at 7:00 pm

Leesburg Airport, 3rd Floor Conference Room

You will learn:

- Different approaches to addressing speech and language issues with Deaf and Hard of Hearing children ages: preschool - high school
- Areas of focus and settings that are used to provide speech and language services in the school based setting
- Ideas of how to carry over speech and language skills that are learned in the school to the home and community contexts

Directions to the Leesburg Airport:

- *The airport is located at 1001 Sycolin Road, SE, Leesburg, Virginia.*
- *From the Washington, DC area or Northern Virginia, take Route 267 to Exit 1B.*
- *Exit 1B merges with Route 15 North.*
- *Follow Route 15 for 1.5 miles, then turn right at the first traffic light on Sycolin Road.*
- *Follow Sycolin Road east for 1.5 miles.*
- *The airport entrance is on the right and marked with a sign.*
